

INTRODUCTION TO NEURAL RECEPTORS

April 15, 1991

9:00 A.M. Welcoming Comments (Drs. Glenn, CEO; McAllister; Scientific Director and Mr. Gertenbach, President).

Moderator (pd) Dr. Abel Lajtha, Ph.D., Center for Neurochemistry, Nathan Kline Institute, Orangeburg, NY.

9:10 (pd) Leo Abood, Ph.D., Dept. of Pharmacology, University of Rochester Medical Center, NY.

"Multiplicity of Receptors/Ion Channels."

9:50 (pd) Bianca Conti-Tronconi, Ph.D., Dept. of Biochemistry, University of Minnesota, St. Paul, MN.

"nAch Receptors; Receptor Subtypes."

10:30 Coffee Break

11:00 Susan George, M.D., Ph.D., Dept. of Pharmacology, University of Toronto, Toronto, Canada.

"Dopaminergic Systems/Receptors."

11:40 (pd) Gavril Pasternak, M.D., Ph.D., Dept. of Neurology, Memorial Sloan Kettering Cancer Center, New York, NY.

"Opioid Receptors."

12:20 Buffet Lunch

Moderator (pd) Dr. Leo Abood, Ph.D., Dept. of Pharmacology, University of Rochester Medical Center, NY.

1:45 (pd) Abel Lajtha, Ph.D., Center for Neurochemistry, Nathan Kline Institute, Orangeburg, NY.

"Synaptic Interactions Between Receptors."

2:25 (pd) Brian Meldrum, Ph.D., Dept. of Neurology, Institute of Psychiatry, Denmark Hill, London, England.

"Excitatory Amino Acid Receptors."

3:05 Coffee Break

3:30 (pd) Victor Hruby, Ph.D., Dept. of Chemistry, University of Arizona, Tucson, AZ.

"Neuropeptide Receptors, Molecular Organizers."

4:10 General Discussion.
